GAS POWERED MOTORCYCLES

ELECTRIC MOTORCYCLES

KNOW AND FOLLOW THE RULES:

- Electric motorcycles are only permitted on motorized trails and OHV (off highway vehicle) areas.
- An electric motorcycle is still a motorcycle, even with a pedal kit.
- As a rider (or parent of a young rider), you may be at risk of:
 - Hefty fines
 - Impoundment
 - Significant liability risk
- Check with local officials and law enforcement for regulations and more information.
